Memories

I think of the days that have swiftly flown by,
When we were just Kids, neath the clear blue sky,
Playing & singing the whole day through,
Or nothing else had we to do.

Wading Old North Creek from bridge to wood-
Then neath the red-haw tree we stood
Eating the berries ripened red,
Each day some Conquest, like this we led.

Riding a picket, - fun? Of course
Never was there a gentler horse,
Never Kicked, never bit, could lead it with yarn,
Stand it up by the Chicken-Coop, that was the barn.

And there the Creature would yet have stood,
Had Mother not needed some Kindling wood.
Such is Childhood - life's early dawn,
We never can see it until it is gone.

Top picture is dated 14 May 1950: James L. Davis dressed for church standing in the northeast yard. The willow tree is just a sprout, the smoke house and chicken house are in the background. The elm tree is standing beside the shed and the shed door is on its track.

The bottom picture was taken 30 June 1990: James L. Davis dressed to go to the back field to pick raspberries. The willow tree is hugh and has been pruned back, the elm tree is holding up the shed, and the shed door has long gone. The smoke house was torn down years ago and the chicken coop was burned in April or May 1989. 30 June 1990 was a sunny and windy day. It was hot in the sun, but the shade was pleasant.

Mrs. Susie E. Davis
Bryan, Ohio

My dear Madam:

In accordance with the wishes of your husband, Lewis, we have proceeded with the examination of the abstract of title which he left with us for examination and opinion covering lands described as,

> The West one half ($\frac{1}{2}$) of the Southeast quarter ($\frac{1}{4}$) of Section Twenty-seven (27), town 6 north, range 2 east, containing 80 acres, Center Township, Williams County, Ohio.

We find that this abstract was first certified to by Attorney F. M. Frazier on the 17th day of January, 1922.

That it was next certified to by Dow Bretz, abstractor, on the 7th day of January, 1927.

That the same was next certified to by A. L. Gebhard, attorney and abstractor, on the 24th of June, 1932.

That it was next certified to by Donovan & Williamson, attorneys and abstractors, on the 15th day of December, 1932.

That it was further certified to by A. L. Gebhard, attorney and abstractor, on November 6, 1935.

That the same was further certified to by Gebhard & Maxwell, attorneys and abstractors, on the 12th day of April, 1938.

It was next certified to by Gebhard & Maxwell, attorneys and abstractors on March 13, 1939.

It was next certified to by Gebhard & Hogue, attorneys and abstractors on the 15th day of January, 1942.

The same was next certified to by Chas. T. Stahl, attorney and abstractor, on the 3rd day of July, 1942.

It was finally certified to by Ralph H. Strayer, abstractor, on the 25th day of October, 1950.

I find from such abstract of title as the same is submitted for examination that Susie E. Davis is the recorded fee simple title holder to the lands first herein described, by reason of a warranty deed dated March 1st, 1939, which deed is found recorded in Vol. 147 at page 408 of the deed records of Williams County, Ohio.

I find that her title is subject to the following:

1. A mortgage for $2200.00 dated June 29, 1942 in favor of

the Farmers and Merchants State and Savings Bank of Montpelier, Ohio, recorded in Volume 101 at page 243 of the mortgage records of Williams County, Ohio, which mortgage appears unreleased of record.

2. A mortgage of $2116.59 dated June 29, 1942 recorded in Volume 100 at page 281 of the mortgage records of Williams County, Ohio in favor of Flora D. Horton, which mortgage appears unreleased of record.

3. Further that this 80 acres of land is subject to an easement executed by Susie E. Davis to Williams County, Ohio for highway purposes which is found a matter of record in Vol. 167 at pages 141 to 144, inclusive, of the deed records of Williams County, Ohio.

4. Is further subject to an easement of the State of Ohio for road purposes, which is a matter of record in Vol. 168 at page 117 of the deed records of Williams County, Ohio.

5. That it is subject to the payment of the 1950 taxes which become due and payable in December, 1950 and June, 1951. Taxes for the full year 1949 in the amount of $80.10 and all previous years show to be fully paid. The 1950 taxes on this property, while they are a lien, at this time are not determined or spread upon the duplicate of Williams County, Ohio.

Subject only to the beforementioned mortgages to the Farmers and Merchants State and Savings Bank of Montpelier and Flora D. Horton, and the easements which have been granted to Williams County, Ohio and the State of Ohio for road purposes, and the 1950 taxes and assessments when determined, Susie E. Davis holds the recorded fee simple title to the lands above described. It is, therefore, my opinion, after having very carefully read this abstract as the same was submitted, that the title portrayed by the said abstract is a perfectly good, safe and merchantable title for the lands above described.

There are, of course, throughout this title some typegraphical errors in the typing of the same which are of no consequence to the chain of title, so that in the final analysis I would recommend this title as being a good, safe and merchantable title without material defect or incumbrance other than those stated above.

Respectfully submitted:

Chas. T. Stahl

GRUFF

Beautiful, vivaceous Gruff--
You were black and brown and tan and buff.
We'd had you five years and long enough
That we depended on you.

I had groomed you so prettily that day
When you dashed round the house in a breath.
While the scissors and brush were yet in my hand
You were errant and ran to your death.

I bitterly regret the way that I hastily called your name!
If I'd let you alone you wojld have come home
And things would be the same.

I will think of you fondly when old haunts I tread
But the path will be lonely, I know.

I'll pretend you are running on up ahead
And that I see your tracks in the snow.

Re: Your home place farm

Dear Mrs. Davis:

On Wednesday, October 13, your son, Willis, stopped at my office on your behalf and told me that you were thinking about conveying the remainder interest in your 80 acre home place farm located in Section 27 of Center Township to your children while retaining a life estate. He indicated that you had some questions about this procedure and wanted to know what some of the consequences might be. He further indicated that you wanted all of your children to be apprised of the situation. For that reason, I am writing this letter to you and am sending copies to all your children.

The conveyance of real estate with the retention of a life estate would transfer every incident of ownership to your children subject only to your right to receive all the profits from the premises whether you live on the premises or not, but with the obligation to not commit any waste. What this means is that the building and grounds must be kept up and cannot be allowed to deteriorate.

You can see, Mrs. Davis, that by conveying the remainder interest you do give something away. If, for example, you would need a substantial amount of money for your expense needs or for medical expenses, you would not be able to, on your own, sell the farm to obtain that needed money. Your interest would only be whatever the life estate interest value is, and the children would be entitled to demand their share of any sale, if they agreed to the sale.

The main advantage in a transfer of the remainder interest in a retention of the life estate while you are alive is that this action removes the farm from your estate. That is, when you pass away, the farm automatically will transfer to the remaindermen (the children). Assuming a value of $1,500.00 an acre and a total value of the farm of $120,000.00, this can save $2,400.00 in probate fees and perhaps a like amount in estate tax depending

on what other assets you may have. It may even eliminate the necessity of probating your estate.

The same thing is true in this transaction as is true in most transactions: when you gain some advantage by giving something away, you also have the disadvantage in not having that thing anymore. It is a question of control. There are advantages to be gained, but you lose the ultimate control to do whatever you want with the property.

If you wish to discuss this further and in person, I would be delighted to meet with you at your convenience.

Very truly yours,

GRETICK, BISH, LOWE & ROTH

PSALM 121

I will lift up mine eyes to the hills, from whence cometh my help.

My help cometh from the Lord. which made heaven and earth.

He will not suffer thy foot to be moved; he that keepeth thee will not slumber.

Behold, he that keepeth Israel shall neither slumber nor sleep.

The Lord is thy keeper: the Lord is thy shade upon thy right hand.

The sun shall not smite thee by day, nor the moon by night.

The Lord shall preserve thee from all evil: he shall preserve thy soul.

The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore.

The Lord is my Shepherd; I shall not want.
He maketh me lie down in green
pastures;
He leadeth me beside the still waters.

He restoreth my soul: He leadeth me in the
paths of righteousness for His name's
sake.

Yea, though I walk thru the valley of the
shadow of death, I will fear no evil:
for thou art with me; thy rod and
thy staff they comfort me.

Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil;
my cup runneth over.

Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the House of the
Lord for ever.
